It features a rich, piano-black control panel and delivers dynamite colour at 4ppm and sharp laser text at 16ppm. You'll also get NO NOIS™ print engine technology for quiet operation, along with easy-to-change toner cartridges.

connectivity options

High-speed USB 2.0 won't slow you down.

elegant design

Classic two tone colour scheme black control panel and colour toner indicator lights let you know when you need to replace a particular toner.

quiet printing

Our exclusive NO NOIS™ print engine is the same print engine found in our bestselling colour printers. It gives you quiet operation and simple-to-replace toner cartridges.

colour for everyone

Quality colour in an affordable package. And with print speeds up to 16ppm black and 4ppm colour, it won't slow you down.

small size

Their small footprints of 389 x 313mm mean they'll fit comfortably on your home office desk or bookshelf.
