

Highly affordable laser
multifunction printer with
professional colour results.

What Do You Have To Say?

HP Color LaserJet CM1312 MFP series

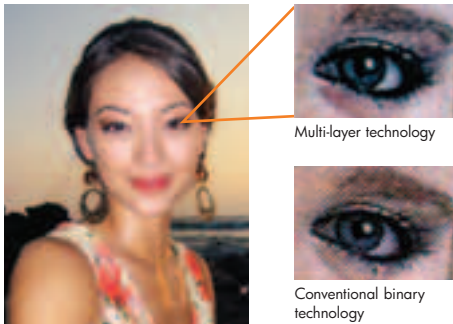

Professional, high quality results

Through innovative printing technologies such as HP ImageREt 3600 and the new generation HP ColorSphere toner, the HP Color LaserJet CM1312 MFP series deliver sharp and vibrant results for professional-looking collateral in-house — giving you the ability to manage marketing materials and budget, and helping to take your business to the next level.

Superior image enhancements. HP ImageREt 3600 uses multi-layering technology and adaptive halftoning to produce high quality images, text and graphics.

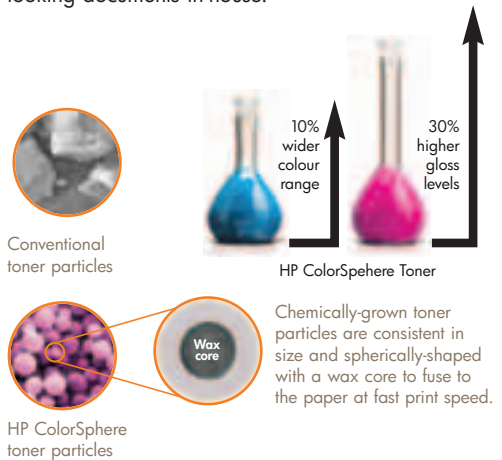

Innovative print technologies for best results

Multi-layer technology

Conventional binary technology

Professional-quality documents. New generation HP ColorSphere toner is chemically-grown and spherical in shape to deliver increased dynamic range of colours and gloss levels for professional-looking documents in-house.

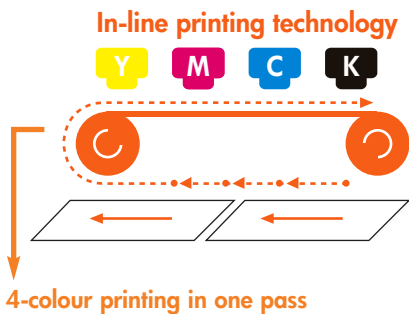

Conventional toner particles

HP ColorSphere Toner

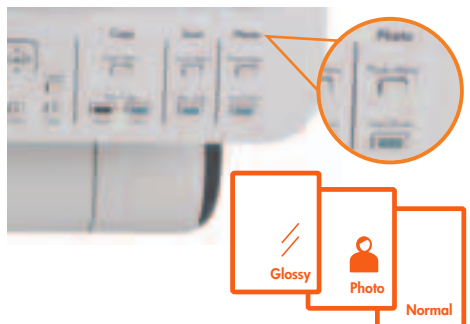

HP ColorSphere toner particles

Get your prints, fast. With its four individual cartridges aligned in fixed positions, each colour is applied directly to the paper with just a single pass for smoother and faster print results.

Automatic photo mode for print and copy.

Enjoy the best image quality automatically as the MFP can intuitively detect the type of media and optimise output quality. Or, simply choose the printing and copying preference menus for best possible results.

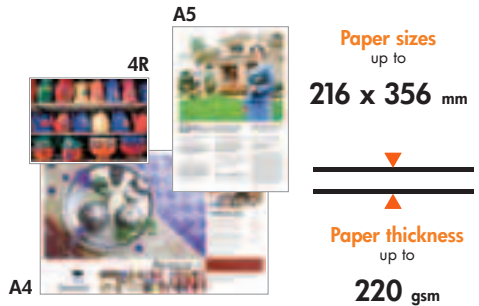

Digitise quickly and easily. Capture high quality images and documents to incorporate into presentations. What's more, the flatbed CCD scanner¹ is great for scanning books, ledgers and 3-D objects.

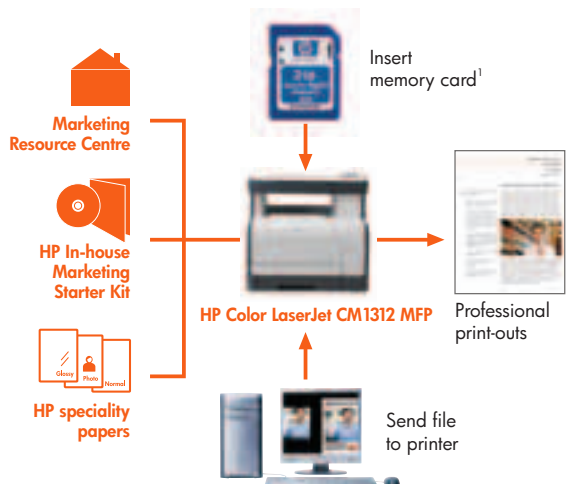

Versatile printing options. The MFP supports a broad range of media from 76 x 127 mm to 216 x 356 mm, and from everyday to speciality papers, making it easy to create a variety of business documents and marketing materials.

Create high-impact collateral with added tools.

Create and print high quality, professional marketing materials easily with:

- Marketing Resources Centre², a resource-rich Web portal provides professionally-designed templates, free online training and links to other design resources (Included in printer's installation software)
- Complimentary HP In-house Marketing Starter Kit with over 100 design templates for creating documents
- 3 types of sample speciality papers, valuable discounts on stock images and logo creation are bundled with the MFP

¹ Only available for HP Color LaserJet CM1312nfi MFP.

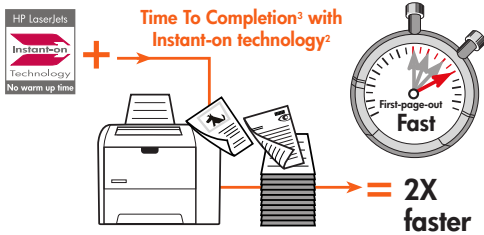

² The Marketing Resources Software may be downloaded for free through the URL included with the MFP's installation software. For more information, visit www.hp.com/go/ihm

Give your business a productivity boost

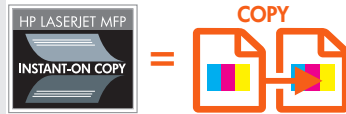

Innovative features transform the way you print, copy, scan and fax¹, and improve document workflow in your office.

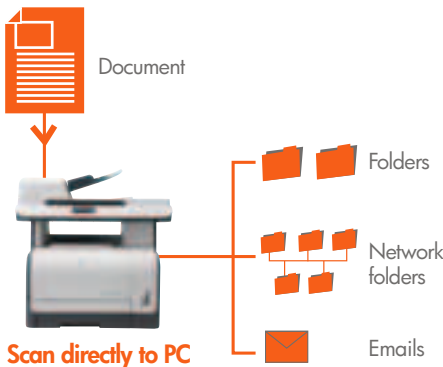

Save with instant results. Print fast first-page-out in less than 8.5 seconds. With Instant-on technology², the Time To Completion (TTC)³ of a typical office print job is two times faster from low power mode than on devices without it. This technology also uses up to 50% less energy than traditional fusing, making it more energy-efficient. Lower power consumption translates to lower utility bills.

Save time, cost and energy. Get instant copies and scans with Instant-on Copy. Utilising LED light source — an already-stable, instant-on light source — it does not require warm-up for scanning so copy jobs can begin quickly from low power mode. This LED based technology is cleaner, more reliable and energy-efficient so you can reduce the cost of owning a MFP.

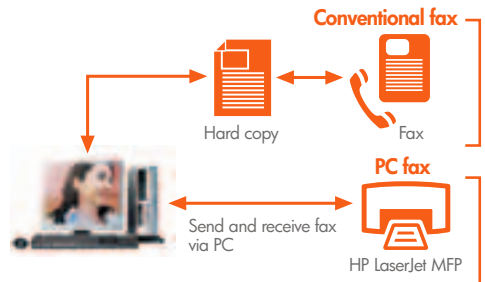

Walk-up scan-to convenience. With scan-to features, you can scan documents to network folder or email directly from the MFP without using a PC.

Simplify document workflow and save on cost.

Send and receive fax on your PC via the MFP for greater convenience without having to print, and your business can save on printing cost while enjoying improved productivity.

¹ Only available for HP Color LaserJet CM1312nfi MFP.

² Instant-on technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so the print job is done sooner.

³ An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf
See HP average print time versus competition: www.hp.com/go/whywait

Design features for ease of use

The HP Color LaserJet CM1312 MFP series is designed to be easy to install, use and maintain. With its thoughtful features and functionality such as installation wizards, intuitive control panel and integrated networking capability, it's the best office device to share and multi-task efficiently.

Flatbed scanner captures documents, photos, and 3D objects such as books, ledgers, magazines, and thick, bound files.

2.4-inch colour graphical display¹ supports localised languages, photo preview of thumbnail images and shows device status.

Express installer and the enterprise installer enables quick and easy set-up, installation and configuration of the device to specific preferences.

Readiris Pro OCR software scans documents by converting images and text into a form that can be easily edited in the computer.

Scan-to functionality scans documents and images directly to an email or folder using the MFP.

Intuitive control panel for simple navigation and ease-of-use.

10/100 Base-T networking¹ lets you connect the MFP to a network so multiple users can take advantage of the device's functions.

Photo memory card slots¹ allows easy access and printing of photos directly from the MFP without a PC.

HP LaserJet quality and reliability

Backed by renowned HP reliability and support, your business can have total confidence and peace of mind with the HP Color LaserJet CM1312 MFP series.

PC Magazine Readers' Choice Award for service and reliability for 16 straight years.

September 18, 2007—HP Printers

PC Magazine Readers' Choice Award Logo is a trademark of Ziff Davis Publishing Holdings Inc. Used under license.

Around the clock service and support
HP LaserJets are backed with a one-year limited warranty including phone support 24/7 one-stop access to tools and information for self-help troubleshooting. You can also choose to enhance your warranty protection with a wide selection of affordable HP Care Pack Services.

The HP Color LaserJet CM1312 MFP series is a full-featured multifunction device designed to meet all your printing and imaging needs. With innovative print technologies and in-house marketing tools, your business can create high quality marketing materials, and communicate and sell more effectively. This device is the complete business colour solution for your office that stretches your potential, not your budget.

The HP Color LaserJet CM1312 MFP series lets you print, copy, scan and fax¹ while delivering professional colour results — all in one compact design.

PRINT

- Professional print speed² of up to 12 ppm black, 8 ppm colour
- Time To Completion³ for a typical print job in as fast as 54 seconds with Instant-on technology⁴
- Print graphics-intensive files fast with 160 MB⁵ RAM memory and 450 MHz processor
- HP ImageREt 3600 provides consistent, professional results, right out of the box

COPY

- Instant-on Copy with LED technology starts copy in seconds
- Reduce or enlarge copy jobs from 25 to 400% quickly

FAX¹

- Send and receive fax via PC to save time and enhance security
- Securely store faxes and print when you want to with private receive
- Fax/Tel allows the device to monitor incoming calls, determine if a call is voice or fax, and ring to notify you of voice calls
- Store up to 250 fax pages with fax storage

HP Color LaserJet CM1312nfi MFP

SCAN

- 24-bit CCD colour scanner converts printed materials to digital information
- Professional scans at resolutions up to 1200 dpi
- Remote scanning via Scan-to software
- Turn scanned text into editable files with Readiris Pro OCR Software

IMAGING¹

- Built-in photo memory card slots

HP Color LaserJet CM1312 MFP (CC430A)

- Colour flatbed scanner
- 125-sheet output bin
- One-door access for easy cartridges replacement
- 150-sheet multipurpose tray
- Intuitive control panel with 2-line, 16-character LCD display
- A powerful 450 MHz processor and 128 MB memory
- Hi-Speed USB 2.0 port

HP Color LaserJet CM1312nfi MFP (CC431A)

All the features of the base model, plus:

- 50-sheet automatic document feeder
- Intuitive control panel with 2.4-inch colour graphical display and built-in **Help** function
- Reduction optics/charge-coupled device (RO/CCD) colourflatbed scanner
- Photo memory card slots
- Fax port
- 10/100 networking port
- 160 MB RAM memory

Maximise the performance of HP Color LaserJet CM1312 MFP series with HP accessories and supplies

Q6264A
Connect directly with the Hi-Speed USB A to B printer cable (6-foot).

CB540A, CB541A, CB542A, CB543A
HP's all-in-one print cartridges with new generation HP ColorSphere toner are designed with HP Color LaserJet CM1312 MFP series to deliver consistent quality and reliable printing.

Choose from a selection of HP papers to create professional-quality documents in your office.

HP's commitment for a safer environment

With HP's Design for the Environment initiative, products are designed with their entire life cycle in mind — from product design to manufacturing, and from usage to recycling — in an effort to reduce energy, paper, packaging and materials used. By providing customers with safe, high quality products that are environmentally-sound throughout their life cycle, HP aims to reduce the environmental impact of our products, and that of our customers.

1 DESIGN FOR ENVIRONMENT

Conserve energy. With ENERGY STAR®, the HP LaserJet CM1312 MFP series automatically reduces power consumption after a designated period of inactivity.

Lower power consumption. Save power automatically with energy intelligence that is built into HP printing products. Instant-on technology provides up to 50% energy savings over traditional fusing while providing a fast first-page-out in seconds.

2 MANUFACTURING

Use of fewer materials. HP LaserJet toner cartridge packaging uses 45% less materials compared to previous designs. The more compact package contains an innovative multi-chamber air bag that protects the cartridge from transport damage, dust, moisture and light, and 30% more cartridges can be shipped on one pallet (1500 more cartridges can be shipped in one ocean container).

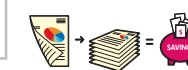

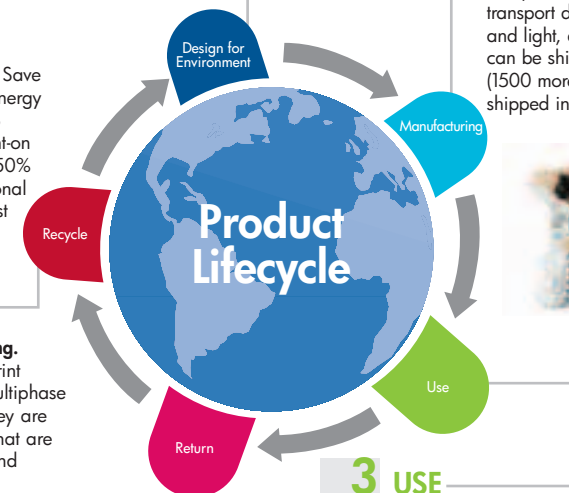

5 RECYCLE

Less waste through recycling. All returned Original HP print cartridges go through a multiphase recycling process where they are reduced to raw materials that are used to make new metal and plastic products.

4 RETURN

Simplify the management and disposal of products. Through HP Planet Partners¹ — a free, convenient return and recycling programme available in more than 40 countries.

No more wasteful prints. Save paper with HP Smart Web Printing (a free download for users). It enables simple, predictable web printing and provides control over what you want and how you want it printed. You can select, store and organise text and graphics from multiple web pages, then edit and print exactly what you see on-screen, thereby making web printing more eco-friendly and less wasteful.

Use less paper. By printing on both sides with manual two-sided printing. Plus, easily produce 2-up and 4-up copies (multiple pages on a single sheet of paper) to conserve resources.

¹ Programme availability varies. HP printing supplies return and recycling is currently available in more than 40 countries, territories and regions in Asia, Europe, and North and South America through the HP Planet Partners programme.

¹ Only available for HP Color LaserJet CM1312nfi MFP.

² Exact speed varies depending on system configuration, software application, driver, and document complexity.

³ An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. See HP average print time versus competition: www.hp.com/go/whywait

⁴ Instant-on technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so the print job is done sooner.

⁵ Device memory of 160 MB RAM for HP Color LaserJet CM1312nfi MFP, 128 MB RAM for HP Color LaserJet CM1312 MFP.

HP Color LaserJet CM1312 MFP series

Technical specifications

HP Color LaserJet CM1312 MFP (CC430A)	HP Color LaserJet CM1312nfi MFP (CC431A)
Print and copy speed¹	Black-and-white: up to 12 ppm; Colour: up to 8 ppm (A4/letter)
First-page-out	Black-and-white: as fast as 26 seconds from Ready mode; Colour: as fast as 32 seconds from Ready mode; Time To Completion for a typical office print job ² : as fast as 54 seconds (A4/letter)
Resolution	Printing: up to 600 x 600 dpi; HP ImageREt 3600, HP ColorSphere toner, HP edge-enhancement technologies; Scanning: up to 1200 dpi optical resolution, up to 19,200 dpi enhanced resolution
Features	
Copying	Up to 99 multiple copies, reduce/enlarge from 25 – 400%, contrast (lighter/darker), quality (copy optimise), number of copies, paper size, paper type, multi-page copy, collation, copy draft, image adjustment (lightness, contrast, sharpen, background removal, colour balance, greyness)
Faxing	–
Scanning	Colour flatbed scanner, 54 x 70 mm (2.1 x 2.8 inch) to 216 x 297 mm (8.5 x 11.7 inch); Remote initiated scanning via HP Director, TWAIN compliant or WIA-compliant software, HP Solution Centre software; file types: BMP, GIF, JPG, PNG, TIF, PDF
Photo memory cards supported	–
Processor	450 MHz
Memory	128 MB
Recommended monthly volume ⁴	250 to 1,500 pages
Maximum monthly duty cycle ⁵	Up to 30,000 pages
Paper	
Handling	150-sheet multipurpose input tray, 125-sheet face-down output bin, two-sided printing (manual)
Sizes	76 x 127 mm (3 x 5 inch) to 216 x 356 mm (8.5 x 14 inch); A4, A5, A6, B5 (ISO, JIS); letter, legal, executive, envelopes (No. 10, Monarch)
Weights	60 to 176 g/m ² (16 to 47 lb), up to 200 g/m ² (53 lb) with HP Laser Cover papers, up to 220 g/m ² (59 lb) with HP Laser Glossy Photo papers
Type	Paper (bond, brochure, colour, glossy, letterhead, photo, plain, preprinted, prepunched, recycled, rough), transparencies, labels, envelopes, cardstock
Connectivity	
Interfaces	Hi-Speed USB 2.0 port
Languages	HP PCL 6, HP postscript Level 3 emulation, HP PCL5c emulation; Fonts: 80 TrueType PCL 6, 80 TrueType PostScript
Client operating system	Microsoft® Windows® 2000, Windows XP® Home, Windows XP Professional, Windows Server 2003, Certified for Windows Vista®; Mac OS X v10.3, v10.4, v10.5 and later
Network operating system	–
Network protocol	Windows 2000 (print drivers only), XP Home, XP Professional, XP 64-bit, Windows Server 2003/2008, Windows Vista®; Mac OS X v10.3 or higher; Red Hat/SuSE Linux 6.x or higher, Novell NetWare 3.2 or higher (NDPS-TCP/IP only); Citrix MetaFrame (print only); Windows Terminal Services (print only) ⁶
Minimum system requirements	PC: Server 2003: any Pentium II processor or higher, 64 MB RAM, 50 MB available hard disk space, SVGA 800 x 600 monitor with 16-bit colour (print driver, scan driver only); Windows 2000®, XP Home, XP Professional: any Pentium III processor (Pentium III or higher recommended), 128 MB RAM, 250 MB available hard disk space, SVGA 800 by 600 monitor with 16-bit color, Internet Explorer 5.5 or higher (full install); 1 GHz processor, 512 MB RAM (Windows Vista®, check user guide for minimum hard drive space); CD-ROM drive, USB port Macintosh: Mac OS X v10.3.9, v10.4.x, v10.5.x; PowerPC G3, G4, or G5 processor; Intel Core processor; 80 MB RAM, 30 MB available hard disk space; USB port; CD-ROM drive
Dimensions (w x d x h)	437 x 455 x 405 mm (17.2 x 17.9 x 16 inch)
Weight	21.2 kg (46.7 lb)

What's in the box	MFP; preinstalled introductory 750-page black, cyan, magenta, and yellow HP Color LaserJet print cartridges with ColorSphere toner ⁷ ; in-box documentation (Getting Started Guide, support flyer); CD (User's Guide and device software); power cable; control panel faceplate; Readiris PRO OCR software and registration card, Marketing Starter Kit (includes specialty media samples, discounts to partner offerings, document templates); USB cable
Warranty	One-year, return to authorised service centre, limited hardware warranty; telephone and Web support (varies according to region)
Environmental ranges	
Temperature	Recommended: 20 – 27° C (68 – 81° F); Storage: 20 – 40° C (4 – 104° F)
Relative humidity	Recommended: 20 – 70%; Storage: 10 – 95%
Altitude	0 to 3,048 m (0 to 10,000 ft)
Power consumption	Active, print: 295 watts; copy: 310 watts; Ready: 21 watts; Sleep: 7.2 watts; Off: 0 watts; Typical Electricity Consumption (TEC): 1.597 KWh/Week; ENERGY STAR® qualified models, see www.hp.com/go/energystar
Acoustics ⁸	Sound power Active, print: 6.1 B(A); copy: 6.4 B(A); Ready: inaudible; Bystander sound pressure Active, print: 47 dB(A); copy: 50 dB(A); Ready: inaudible
Required input voltage ⁹	110 – 127 V (±10%), 60 Hz (±3 Hz); 220 – 240 V (±10%), 50 Hz (±3 Hz)
Power certifications	CM1312/CM1312nfi : EMC: CISPR 22: 2005/EN 55022: 2006 Class B, EN 61000-3-2: 2000+A2, EN 61000-3-3: 1995+A1, EN 55024: 1998+A1+A2, FCC Title 47 CFR, ICES-003, GB9254-1998, other EMC approvals as required by individual countries Safety: IEC 60950-1 (International), IEC 60825 1+A1+A2, EN 60825-1+A1+A2 (Class 1 Laser/LED Device) GB9493-2001, other safety approvals as required by individual countries CM1312nfi : Telecom: ES 203 021, FCC Part 68, PTC-200 (New Zealand), AS/ACIF S002: 2001 (Australia), IDA PSTN1 (Singapore), TPS002-01 (Malaysia), IG 0005-11 (Taiwan), HKTA 2011 (Hong Kong SAR), YD514, YD/T589, YD703, GB3382 Typical Electricity Consumption (TEC): 1.597 KWh/Week (China); other Telecom approvals as required by individual countries
HP SureSupply	To learn more, visit www.hp.com/learn/suresupply

- Exact speed varies depending on system configuration, software application, driver, and document complexity.
- An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprintertuse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.
- Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.
- HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.
- Not all protocol and operating system configurations are supported. For more information, go to www.hp.com/support/net_printing
- Introductory cartridges: Average continuous composite cyan/yellow/magenta cartridge yield 750 pages and average continuous black cartridge yield 750 pages. Replacement cartridges: Average continuous composite cyan/yellow/magenta cartridge yield 1,400 standard pages and average continuous black cartridge yield 2,200 standard pages. Declared yield values in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies
- Configuration tested: imaging model, simplex printing, A4 paper at an average of 12 ppm.
- Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
