

fast monochrome laser printer with embedded network capability

the fastest printout speed
the highest performance and functionality for every printing job
wide-ranging capability
power CPU with DDR memory

Imagine a business printing centre that handles all documents. The SAMSUNG ML-4551ND is a fast mono laser printer with embedded network capability that is the solution for your numerous professional needs. It's perfect for a business looking for a versatile and adaptable printer that has an optional hard drive and high input capacity.

the fastest printout speed

The ML-4551ND is SAMSUNG's fastest monochrome laser printer. The printers in the series produce prints at a rate of 43ppm (A4), to take care of all printing jobs, heavy or light, in a jiffy. Enjoy the time-saving properties of its remarkable speed and boost your office's productivity. Especially when time is of the essence, this printer delivers.

wide-ranging capability

The printer supports a wide range of operating systems & interfaces to make it one of the most versatile and adaptable printers on the market. Whether you use Windows, Mac or Linux, the printer is compatible across almost all software platforms in use. It supports USB 2.0, Parallel and network.

the highest performance and functionality for every printing job

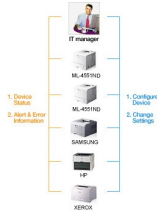

The performance factor of the ML-4551ND is one compelling reason to make this one of the mainstays of your office. The printer is more powerful than your ordinary model and offers invaluable features and functions, a peerless choice.

power CPU with DDR memory

This printer gains its power from its 500 MHz CPU, enabling the best performance under all circumstances. The system memory is also expandable, from a base of 128MB up to 512MB DDR(Double data rate). The combination of SAMSUNG's microprocessor and exceptionally high memory capacity enables the printer to obtain optional performance on the most demanding work environments.

SyncThru™ web admin service & SyncThru™ web service

The ML-4551ND offers sophisticated but user-friendly web-based management tools for your printer. SyncThru™ web admin service configures and monitors SAMSUNG network printers and other SNMP (Simple Network Management Protocol) compliant printers for group management tasks such as firmware upgrades, group error reporting and other IT duties. The SyncThru™ web service is a LAN-connected feature accessed by typing the printer's IP address into the web browser from which remote configuration, status monitoring and changes in network settings can be easily made through the web page itself for remarkable and highly responsive IT management.

a feature-rich printer for maximum efficiency

Superb features of the ML-4551ND offer an array of highly efficient, time-saving professional solutions that maximise the functionality of your printer, including: collation, barcode printing, delay printing, proof printing, form overlay and job management system. And in a networked environment, confidential printing keeps your documents safe and secure. These wide-ranging professional solutions allow you to prioritise, confirm, expedite and provide a professional finish to all your printing jobs, especially for volume heavy, time-sensitive print loads and specialised printing needs.

connect, network and communicate

For multiple workgroups in a networked environment, this network-ready printer will prove to be essential, The ML-4551ND is ideal for a corporate environment with several functioning departments and numerous workgroups, to feel fully connected. Enjoy the easy and problem-free network-enabled solutions offered by the ML-4551ND.

Overview	Function	Print
Print	Speed (Mono)	Up to 43ppm in A4 (45ppm in Letter)
	First Print Out Time (Mono)	Less than 8.5 seconds (From Ready Mode)
	Resolution	Up to 1,200 x 1,200dpi effective output
	Emulation	PS3, PCL6, IBM ProPrinter, EPSON
Paper Handling	Media Size	76 x 127mm (3.0" x 5.0") ~ 216 x 356mm (8.5" x 14.0")
	Media Type	Plain Paper, Transparencies, Labels, Post Card, Envelope
General	Processor	SAMSUNG 500MHz
	Memory / Storage	128MB (Max. 512MB)
	OS Compatibility	Windows 98 / Me / NT4.0 / 2000 / XP (32/64bit) / 2003

Server (32/64bit) / Vista, Various Linux OS including Red Hat 8 ~ 9, Fedora Core 1 ~ 3, Mandrake 9.2 ~ 10.1 and SuSE 8.2 ~ 9.2, Mac OS 8.6 ~ 9.2 / 10.1 ~ 10.4

	Interface	USB 2.0 (High Speed), IEEE1284, Ethernet 10/100 Base TX
	Noise Level	Less than 57dBA (Printing) Less than 35dBA (Standby)
	Duty Cycles, Monthly	200,000 sheets
	Dimension (W x D x H)	396 x 536 x 353mm
	Weight	19.1kg (42.1 lbs)
Consumables	Yield	High Yield: Average Cartridge Yield 20K standard pages.(1)
	Type	Single Cartridge
	Model Code	ML-D4550B

Features and specifications are subject to change without prior notification.

(1) Declared cartridge yield in accordance with ISO/IEC 19752.
