

## Enhanced versatility with one-touch web printing

The high performance SCX-4623F instantly upgrades your office's efficiency by handling more users and printing faster copies.

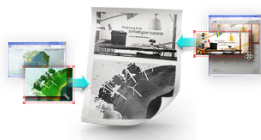

If you can see it, you can print it. With the Samsung SCX-4623F mono laser MFP, you simply press the Easy Screen Print (ESP) button, and you can print either your entire desktop or just the active window. That's especially convenient for printing multiple web pages. Samsung's included AnyWeb Print software lets you select, drag and drop content from different web pages into a new page, then print your screen. You also get faxing to and from your PC, print speeds of up to 23ppm, 12,000 page monthly duty cycle and a sleek, compact design.

### It multi-tasks so you don't have to

Productivity is the key to running any office or professional workgroup. And the SCX-4623F was designed to deliver exactly that. With the SCX-4623F you can print, copy, scan and PC-fax with ease and speed. It also has versatile copy features such as ID card Copy (front and back on one side of the page), clone copy (multiple images on a single sheet) and poster copy (one image on multiple sheets) saves you time.

### Capture what catches your eye

Samsung's AnyWeb Print software is another useful feature. It allows you to select, drag and drop content from different webpages into a new blank page on screen, without any resizing or other editing. AnyWeb Print is a quick and easy way of pulling information together, and you can save the pages you create either as tiff files or pdfs. They can be printed using the Print Screen button or your normal print menu. So you can quickly and easily print what you see. AnyWeb Print software enables you to gather data together and handle information more effectively.

### Smart looking, smart acting

The control panel has an easy to use Blue Compass Navigation button that allows you to navigate menu options quickly and easily. The enclosed cassette tray provides a compact finish and ensures the paper is kept dust free and clean, helping guarantee reliable professional prints. Samsung's SCX-4623F is designed to fit perfectly into any

professional business, helping to add a touch of style.

### It turns your PC into a fax machine

Fax to PC means you can send and receive faxes at your PC, and all fax information is stored and managed at your desk. So whether you're sending or receiving fax transmissions, you can handle messages electronically, without the need for hard copies.

### The printer that works with your budget

The SCX-4623F lets you choose the right consumables option which you can afford. Toner cartridges are available in cost-effective standard-yield 1,500-page versions, which save the home user money on the purchasing price.

#### Compass Navigation

Always know where your job stands with the SCX-4623F's navigation feedback LED pattern. It keeps you clued in with its 11 different job status indicators, including error and warning situations.

#### Toner Save Mode

Toner Save Mode lets you print using less toner on each page without compromising quality and extends the life of the toner cartridge than normal mode by up to 30%.
